The background of the slide is a vibrant blue with a microscopic, biological theme. It features several large, spherical, spiky particles that resemble viruses or bacteria, rendered in shades of green and white. These particles are scattered across the frame, with some appearing more prominent than others. The overall effect is a dynamic and scientific visual.

# **PICNet 2012 Educational Conference**

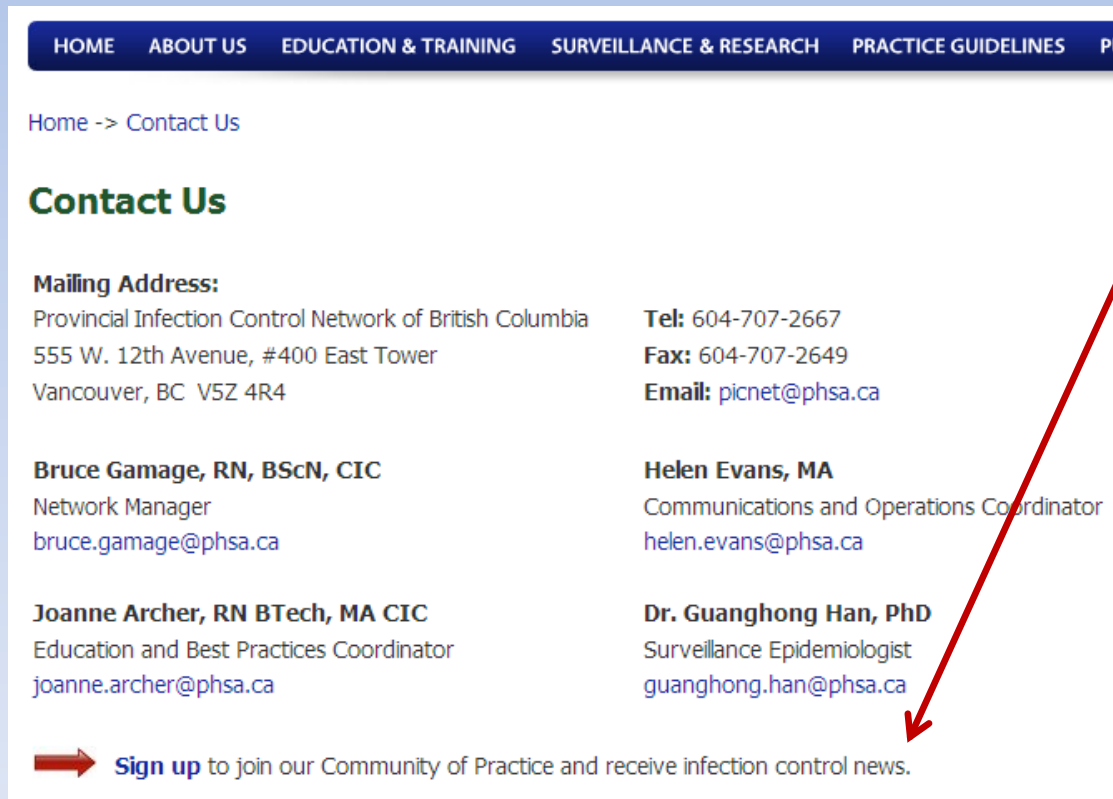

**Closing Remarks**

# Door Prizes!

[PICNet Communications Survey](#)  
(March 1st, 2012 under Forms)  
Tell us how we're doing - and enter to win a prize!

**UPCOMING EVENTS**

[PICNet Conference Evaluation](#)  
April 19th, 2012 - April 26th, 2012

- Conference evaluation – we have kept it short! We'd particularly like to know what dates work for everyone for next year's conference.

# Thank you

...we hope to see you again next year!
